

Job Posting (External)
Position: Hauling Operator (Contract)
Three (3) Positions

Description:

The Centre's hauling operators work under the direction of the Operations Supervisor. They are responsible for the movement/transfer of material using roll-off containers or other collection vehicles on and off-site. Work may include emptying MOLOK's at various locations including Algonquin Park. Shifts will vary in duration based on seasonal requirements and will include weekend shifts.

Responsibilities:

- Responsible for the safe operation of roll-off trucks and various truck mounted crane units up to 8 tonnes for the collection of MOLOK containers and roll-off bins.
- Operators generally work on their own with some contact with the public to provide collection of various waste materials throughout the County and Algonquin Park and to assist in the processing of on-site waste materials as per standard operating procedures.
- In addition, they may be required to support on-site operations by assisting with hauling landfill cover material, turning windrows, and pushing up stockpiles.
- Operators may also be required to assist in the receiving and processing of diversion materials.
- They are also required to ensure that appropriate records related to daily equipment checks and servicing, transportation logs and incident reports are completed.

Qualifications:

- Equivalent to high school education with some degree of specialization in truck and equipment operation.
- Competent in the operation of roll-off trucks, tandem axle dump trucks and other rolling stock such as loaders, backhoes, etc. with a minimum 6 months related experience
- Must have a valid class DZ driver's license with a satisfactory driver's abstract.
- Able to work extended hours (overtime) when needed.
- 0 – 8 ton Crane Certification would be considered an asset.

Other Information:

Up to 40 hours/week, Sunday to Saturday
Shift lengths will vary, weekend work required.
Start Date: May 6, 2024
End Date: November 22, 2024
Rate of Pay: \$30.40/hour
